EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Douglas Ryder on 3/28/06.

The application has been amended as follows:

Claim 1, Line 3; after "groove formed therein" Insert ---, the groove open at an upper edge and extending vertically downward ---.

Claim 1, Line 9; after "compartments" Insert --- and wherein neither said base section nor said supply section has any moveable parts ---.

Claim 2 is canceled.

Claim 13, Line 1; "claim 5" Has been changed ---claim 1---.

Claim 14, Line 1; "claim 5" Has been changed ---claim 1---.

Claim 15, Line 1; "claim 5" Has been changed ---claim 1---.

Claim 22, Line 3; "extending vertically down from an upper edge" Has been changed to --- open at an upper edge and extending vertically downward ---

Claim 22, Line 8; "capable of engaging the groove and moving within" Has been changed --- engaging the groove and capable of moving within ---

The following is an examiner's statement of reasons for allowance:

Art Unit: 3637

Claim 1 teaches an organizer having a base including a bottom and a side with a groove and having an organizer with an arm that slides within the groove of the base. The allowable subject matter being the specific tilting organizer base section with the groove being open at an upper edge and extending vertically downward. An arm that has protrusions engages the groove and neither the base section nor the supply section have any movable parts.

Claim 22 teaches an organizer having a base including a bottom and a side with a groove and having an organizer with an arm that slides within the groove of the base. The allowable subject matter being the specific tilting organizer base groove claimed, i.e. the groove open at an upper edge and extending vertically downward to a stationary point, the groove then extends horizontally forward from the stationary point and then extends diagonally up and forward, and the groove ending at a tilting point at the end of portion extending diagonally up and forward..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
